ABOUT ENDING GENDERED VIOLENCE

Gippsland

Campaign Collateral 2023

To be read in conjunction with the Let's Chat Events Toolkit.

Visual Presence At Pop-Up Events

PollyannaR is sticking up her white backdrop around Gippsland and is inviting anyone who wants to be part of The United Nations international campaign 16 Days of Activism Against Gender-Based Violence, to have their portraits taken as a public show of support.

All you have to do is have your picture taken with her sign with a message of **what respect means to you**. **You will receive a print-out on the spot to put on your fridge, and a digital one will be uploaded to the PollyannaR Facebook page to share online.**
